**RE: Union Pacific Railroad Company  
Abandonment of St Charles, IL Lead  
STB Docket No. AB-33 (Sub-No. 284X)  
Letter of Intent**

Dear Mr. Harrell:

On July 9<sup>th</sup>, 2010, the City of St Charles, IL, the County of Kane, Forest Preserve District of Kane County, and the St Charles Park District jointly filed a request for Public Use Condition and a request for Interim Trail Use Condition (NITU) for approximately 3.17 miles of railroad between milepost 35.13 and milepost 38.3 near St Charles, IL. By order dated September 21, 2011, the Board granted the request to implement interim trail use negotiations as specifically set forth in the order, for a period of 180 days commencing from September 21, 2011, and ending on March 21, 2012. This extension has been granted again since 2012.

The City of St Charles, IL wishes to continue to work with our local partners and Union Pacific Railroad in an effort to satisfy our negotiating needs, and has sent an extension request to the STB. As discussed, the City and its partners have a sincere desire to work towards acquiring this property for future trail use. The City and its partners will be pursuing grant opportunities to assist in making the acquisition. That pursuit will take time. Therefore, the City respectfully requests the Union Pacific Railroad Company consider a 180-day extension until March 31, 2016, or such time as indicated by the Surface Transportation Board.
