As required by the Board in its decision served June 7, 2011, the parties hereby inform the Board that they have continued to exchange information related to the issues in the case and have engaged in productive discussions about a possible resolution of this matter. The parties believe that further discussions likely would be productive. They accordingly request that these proceedings, including the obligation to file a proposed procedural schedule, be held in abeyance for an additional period of 14 days, until August 16, 2011, by which date the parties will report to the Board regarding further procedural matters.

Respectfully submitted,
