RE: Finance Docket No. FD35873, *Norfolk Southern Railway Company
Acquisition and Operation – Certain Rail Lines of The Delaware and
Hudson Railway*

Dear Honorable Commissioners:

PTI Logistics LLC submits this letter in strong support of the application of Norfolk Southern Railway Company (“NS”) to acquire and operate certain rail lines of The Delaware and Hudson Railway (“D&H”).

PTI Logistics LLC is a major intermodal marketing company that depends on reliable and sustainable service over Norfolk Southern’s routes over the D&H South Lines. Our company ships Intermodal containers from Chicago to Taylor PA and Albany NY via Norfolk Southern over the D&H.

PTI Logistics supports the proposed acquisition because it results in minimal disruption of service, since NS already operates daily over the lines and enhances overall competition in the Northeast surface transportation market.

For the above reasons, PTI Logistics strongly supports the application of NS before the STB to acquire and operate certain rail lines of D&H. We respectfully request your expedited review and approval of this minor transaction.

Sincerely,

Joe Shefchik
VP Business Development
