Re: Union Pacific Railroad Company Abandonment in Pulaski County, Arkansas, Docket #AB-33, Sub #289X

Dear Secretary:

This request is filed on behalf of the City of North Little Rock, which is a local government agency interested in transportation, natural resources, and recreation, hereinafter referred to as "proponent."

Proponent advises that successful negotiations have been concluded and the City of North Little Rock is acquiring the Union Pacific spur track as an Interim Trail Use Condition rather than an outright abandonment authorization between Pike Avenue and Remount Road. It is our understanding that an order authorizing "Rails to Trails" activation was approved last fall. Please advise if any further action is need to place this project in the "Rails to Trails" status.

Respectfully submitted,

Robert Voyles, Planning Director
on behalf of the City of North Little Rock
