Re: Central Railroad of Indianapolis Abandonment in Howard County, Indiana, Docket No. AB-511 (Sub-No. 6X)

Dear Chief:

This request is filed on behalf of The City of Kokomo, which is a city in Howard County, Indiana.

The City of Kokomo requests an extension of 180 days to the negotiating periods ordered in item 2 of the DECISION AND NOTICE OF INTERIM TRAIL USE OR ABANDONMENT dated December 27th, 2012. This extension is required due to delays in finalizing a negotiated agreement between Kokomo and Central Railroad. This extension will allow the City of Kokomo and Central Railroad of Indianapolis with adequate time to sufficiently negotiate and execute a trail use agreement.

Sincerely,

A handwritten signature in black ink, appearing to read "Carey Stranahan".
