STIPULATED PROTECTIVE ORDER

IT IS HEREBY STIPULATED AND AGREED, by and between the undersigned counsel for Capital Corridor Joint Powers Authority (CCJPA) and National Railroad Passenger Corporation (Amtrak) that this Stipulated Protective Order (“Order”) shall govern the handling of all material produced through discovery (whether formal or informal) in this proceeding before the Surface Transportation Board (“Board”) in Finance Docket No. 35790.

CCJPA and Amtrak (the “Parties”) may possess confidential or proprietary information or documents relating to the subject matter of this proceeding. The Parties recognize that, in the course of discovery, it may be necessary to disclose or produce certain confidential or proprietary information or documents and wish to ensure that such information or documents are not disclosed to third parties or used for any purpose other than in connection with this matter before the Surface Transportation Board. In the interests of protecting from disclosure the Parties’ confidential or proprietary information or documents and facilitating efficient discovery, the Parties in the above referenced matter are to comply with this Order as follows:

1. For purposes of this Order, "Confidential" means all documents, materials and/or information exchanged by the Parties throughout discovery in these proceedings before the Surface Transportation Board ("Board") in Docket No. FD 35790 ("Confidential Information").

2. All Confidential Information provided by any party to any other party shall be used only for the purposes of this matter and for no other purpose whatsoever. Confidential Information shall not be disclosed to any other person except as provided in this Order.

3. A party receiving Confidential Information shall not disclose the Confidential Information or their contents, or discuss them or their contents, except for the purposes of this matter, and only to the following persons:

a) An employee, counsel, expert witness, consultant, or agent of a party to these Proceedings, or an employee of such counsel, consultant, or agent. to whom it is necessary that the material be shown for purposes of this matter;

b) The Surface Transportation Board and its employees; and

c) Such other person, and on such other terms and conditions as the Parties agree to in writing or as the Surface Transportation Board, upon application, may order.

4. Each person referred to in paragraph 3(a), prior to viewing or discussing Confidential Information shall agree to be bound by the terms of this Order and shall consent to execute an undertaking in the form annexed hereto as Exhibit "A." The attorneys for the party to whom documentary production or other discovery is made in this action shall maintain a file of such written agreements.

5. No party may include Confidential Information in any pleading, brief, discovery request or response, or other document submitted to the Board, unless the pleading or other document is submitted under seal, in a package clearly marked on the outside as "Confidential

Materials Subject to Protective Order.” See 49 C.F.R. § 1104.14. All pleadings and other documents so submitted shall be kept confidential by the Board and shall not be placed in the public docket in these Proceedings except by order of the Board or of an administrative law judge or other officer in the exercise of authority lawfully delegated by the Board.

6. No party may include Confidential Information in any pleading, brief, discovery request or response, or other document submitted to any forum other than this Board in these Proceedings unless (1) the pleading or other document is submitted under seal in accordance with a protective order that requires the pleading or other document to be kept confidential by that tribunal and not be placed in the public docket in the proceeding, or (2) the pleading or other document is submitted in a sealed package clearly marked, “Confidential Materials Subject to Request for Protective Order,” and is accompanied by a motion to that tribunal requesting issuance of a protective order that would require the pleading or other document be kept confidential and not be placed in the public docket in the proceeding, and requesting that if the motion for protective order is not issued by that tribunal, the pleading or other document be returned to the filing party.

7. No party may present or otherwise use any Confidential Information at a Board hearing in these Proceedings, unless that party has previously submitted, under seal, all proposed exhibits and other documents containing or reflecting such Confidential Information to the Board, to an administrative law judge or to another officer to whom relevant authority has been lawfully delegated by the Board, and has accompanied such submission with a written request that the Board, administrative law judge or other officer (a) restrict attendance at the hearing during any discussion of such Confidential Information, and (b) restrict access to any portion of

the record or briefs reflecting discussion of such Confidential Information in accordance with this Protective Order.

8. Whenever a party takes a deposition in which Confidential Information may be or is disclosed:

a) The deposition shall be subject to the provisions of this Order on the designation of the party whose witness is deposed. Such designation shall be made on the record whenever possible. A party may designate portions of a deposition transcript as containing Confidential Information after transcription if the party promptly notifies all other Parties of the designation in writing and the transcript or its contents have not already been disseminated beyond the class of persons designated in paragraph 4 of this Order.

b) All portions of deposition transcripts or exhibits that consist or, refer to, or otherwise disclose Confidential Information shall be filed under seal and be otherwise handled as provided in Paragraph 5 of this Order.

9. Upon termination of this matter, each party will remain bound to the terms of this Order.

10. Within ten (10) business days of this matter having been finally resolved, each party shall return all Confidential Information to counsel for the opposing party, or provide an executed declaration that all Confidential Information has been destroyed (other than file copies of pleadings or other documents filed with the STB and retained by outside counsel for a party to these Proceedings).

11. A party may disclose Confidential Information pursuant to judicial action or Government regulations, provided the disclosing Party notifies the other Party prior to such

disclosure and cooperates with the other in the event the other elects to legally contest and avoid such disclosure. A party's production or disclosure of Confidential Information, pursuant to this Order, shall not be deemed as a waiver of confidentiality or other privileges.

12. No act or omission by any party or anything stated in this Order by any other party shall be interpreted as a waiver of any objection, claim, or defense.

13. Notwithstanding the terms of this Order, each party shall have the right to object to any discovery or to apply to the Surface Transportation Board at any time for an order granting additional protective or other relief with respect to any confidential, proprietary or privileged material.

14. This Order does not require any party to produce any document or information that is not otherwise subject to discovery.

15. Neither the terms of this Order, nor any action taken in compliance with it shall, (a) operate as an admission by any of the Parties that any document or information is, or is not, confidential or proprietary; (b) prejudice the right of any party to seek a Board determination of whether or not any document or information should be subject to the terms of this Order or; (c) operate as an admission by any party that any document or information is, or is not, admissible into evidence at the trial of this action. Any party may request that the Board modify or otherwise grant relief from any provision of this Order.
