**Re: Manufacturers Railway Company – Discontinuance Exemption –
In St. Louis, MO., Docket No. AB-1075X**

Dear Ms. Brown:

By decision served February 6, 2013 in the above-captioned proceeding, the Board directed Manufacturers Railway Company to serve a copy of that decision on Century Used Bricks, Universal Storage, and Loy Lange Box so that it was received by them within 5 days after the service date of the decision, and to certify contemporaneously to the Board that it had done so.

By this letter, I am certifying that, due to a miscommunication, copies of the decision were not sent to those companies within the 5-day period, but rather were sent by certified mail on February 27, 2013.

If you have any questions or require additional information, please contact me.

Very truly yours,

Matthew W. Ludwig
Counsel for Manufacturers Railway Company
