RE: STB Docket No. FD-35682 - Decatur Junction Railway Co. – Acquisition and Operation Exemption - Line of Illinois Central Railroad Company in Macon County, Illinois.

Dear Ms. Campbell:

This is to advise the Board that the above-referenced acquisition was consummated yesterday, November 20, 2012.

This is also to clarify two points regarding the above-referenced Notice of Exemption. In the Board's Notice of Exemption served October 26, 2012, it states that Decatur Junction Railway Co. ("DJR") leases the line from Elwin to Assumption, Illinois from Illinois Central Railroad Company. This is not accurate. DJR leases that line from Central Illinois Shippers, Inc. (See F.D. No. 32365, Served October 18, 1993).

Also, in DJR's Notice, filed on October 11, 2012, at Page 5, in the "Environmental and Historic Preservation Data" Section, it states, "Under 49 C.F.R. §1105(c)(2), GASR's proposed acquisition and operation of the Line,...." The reference, of course, should have been to DJR, and the sentence should have read, "Under 49 C.F.R. §1105(c)(2), DJR's proposed acquisition and operation of the Line,...." I apologize for any confusion.

Please call me if you have any questions.

Sincerely yours,

Daniel A. LaKemper,
General Counsel.
