In the Matter of:

STB Finance Docket No. 35661

GRAND TRUNK WESTERN RAILROAD COMPANY – ACQUISITION OF OPERATING EASEMENT – CSX TRANSPORTATION, INC.

ENTERED
Office of Proceedings

Part of
Public Record

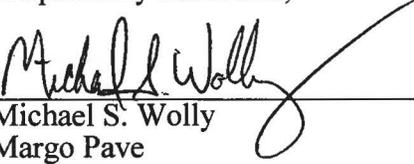

**NOTICE OF INTENT TO PARTICIPATE
AND
ENTRY OF APPEARANCE**

Pursuant to the schedule established in Docket No. FD 35522 and Docket No. FD 35661, notices of intent to participate in either proceeding were to be filed no later than September 26, 2012.¹ However, both CSX Transportation (“CSXT”) and Grand Trunk Western Railroad Company (“GTW”) have consented to the American Train Dispatchers Association (“ATDA”) filing notices of intent to participate and enter the appearance of the undersigned as their counsel, upon whom all papers can be served. Furthermore, since comments are not due in either docket until November 9, 2012, allowing ATDA to file late notice of intent to appear in both dockets will not interfere in any way in the Board’s processing of either proceeding.

Accordingly, ATDA respectfully requests that the Board take notice of the intent of the ATDA to participate in the proceedings in FD 35522 and FD 35661 and permit the appearance of the undersigned as counsel to ATDA, upon whom all papers can be served in both proceedings.

¹ Although these two proceedings have not been consolidated, the Board is considering them together for administrative purposes and therefore set the same schedule for both proceedings. See STB Decisions served September 12, 2012 in FD 35522 and FD 35661.

Respectfully submitted,

Michael S. Wolly
