Re: **STB Ex Parte No 707 – Demurrage Liability**

Dear Ms. Brown:

BNSF's *Supplemental Comments* dated March 7, 2011 stated that "BNSF currently serves some 7,300 customers at about 8,500 origination and destination connection points." The statement should have read that "BNSF currently serves customers with over 7,300 origination and destination connection points."

BNSF supports the *Reply Comments* to be submitted by the Association of American Railroads.

Very truly yours,

Peter M. Lee
