RE: Brownsville and Matamoras Bridge Company (B&M Bridge) and Union Pacific Railroad (UP) proposed joint notice of exemption for B&M Bridge to abandon its 0.8 mile of rail line north of the international border at Brownsville, TX, and for UP to discontinue its operation of the B&M Bridge line and to discontinue service on and to abandon its Brownsville Subdivision from milepost 7.4 near Olmito Junction to milepost 0.22 at Brownsville, TX; B&M Bridge Docket AB-1091X and UP Docket AB-33 (Sub-No. 306X).

Dear Ms. Brown:

Attached for filing in the above-referenced docket is an additional Certificate of Service for the Combined Environmental and Historic Report (the "CEHR") which was originally filed on August 21, 2012. We were informed earlier today that the Texas Historical Commission (the "THC") **and not** the Texas State Historical Association (the "TSHA") is the proper state historic preservation office for railroad abandonments. The Certificate confirms that a copy of the CEHR was served on THC by First Class U.S. Mail, postage prepaid on August 31, 2012.

If you have any questions or concerns regarding the attached Certificate, please contact me at (312) 777-2055.

Very truly yours,

Mack H. Shumate, Jr.
