Dear Ms. Brown:

We are writing as citizens of Upton Massachusetts to lend our support to the actions of the petitioners in the above referenced proceeding. Attached are signatures from residents of Upton fully supporting the petitioners desire to remove the uncertainty and controversy surrounding the ongoing railyard activities at 25 Maple Street, Upton MA.

The Maple Avenue railyard is at the heart of this community, in close proximity to the local high school, a regional vocational high school, a residential neighborhood, town surface wells, an elementary school, a senior center and senior housing.
