Re: **STB Finance Docket No. 35743, *Application of the National Railroad Passenger Corporation Under 49 U.S.C. § 24308(a) – Canadian National Railway Company***

Dear Ms. Brown:

In its decision served September 23, 2014, the Board directed Amtrak to notify the Board when discovery production to CN was complete in accordance with specific actions ordered by the Board in the above proceeding. In a letter dated March 6, 2015, Amtrak so notified the Board.

However, discovery disputes between the parties remained. In a decision served April 30, 2015, the Board assigned and authorized Administrative Law Judge John P. Dring at the Federal Energy Regulatory Commission to resolve all remaining disputes concerning discovery in this proceeding. In a decision served June 5, 2015, Judge Dring directed Amtrak to produce certain documents in connection with the three remaining discovery issues in dispute.

This letter is to serve as notification to the Board by Amtrak that its production to CN addressing all outstanding discovery issues is complete. CN is aware of this notification and is in agreement with it.
