OUACHITA RAILROAD, INC.
--ABANDONMENT EXEMPTION--
IN UNION COUNTY, AR AND UNION PARISH, LA

NOTICE OF CONSUMMATION OF ABANDONMENT

Ouachita Railroad, Inc. ("Ouachita") hereby submits its Notice of Consummation and exercise of the abandonment authority granted in the above-referenced proceeding by Decision decided and released on February 17, 2015. This Notice shall be effective as of the date of this Notice.

Salvage operations, which will be conducted by a successor interest, will not have yet begun as of the date of filing. Ouachita is mindful of the four salvage conditions imposed by the Board. Those conditions will be made part of the instrument of conveyance to the successor interest this will perform the salvage operations. Ouachita will submit a copy of that instrument, following execution, to the Board for filing in this docket.

Ouachita further states that there are no known geodetic survey markers within the right-of-way of the line of railroad that is the subject of the Board's Decision. Hence, consummation of the abandonment will not impact any existing NGS marker.

There are no known parties to this proceeding other than Ouachita.

Respectfully submitted,
