RAIL FUEL SURCHARGES (SAFE HARBOR)

ARKANSAS ELECTRIC COOPERATIVE CORPORATION'S
RESPONSE TO UNION PACIFIC'S
MOTION FOR EXTENSION OF PROCEDURAL SCHEDULE

Arkansas Electric Cooperative Corporation (AECC) does not oppose the motion of Union Pacific Railroad Co. (UP) to extend the deadline for Reply Comments in this docket from September 15, 2014 to October 15, 2014. AECC concurs with UP's suggestion that the September 15 deadline presents a challenge to counsel who are also preparing comments in other dockets with filings in late August and early September.

AECC does not agree with UP's assertion that several parties have filed comments in this docket that "went beyond the basic focus" of this proceeding, but that assertion is unnecessary to support the extension UP requests.

Respectfully submitted,
