Re: Docket No. AB-1032X, Nebraska, Kansas & Colorado Railway, L.L.C. -
Abandonment Exemption - in Decatur, Norton, and Phillips Counties,
Kansas and Harlan County, Nebraska

Dear Ms. Brown:

On June 12, 2015, Nebraska, Kansas & Colorado Railway, L.L.C. ("NKCR") filed a Notice of Exemption with the Board in the above-referenced matter. In the Notice, NKCR sought, among other things, to discontinue its trackage rights over a rail line owned by Kyle Railroad. The trackage rights line was slightly misidentified as being located between Almena and Reager, Kansas. The correct western terminus of the trackage rights line is Oronoque Junction, Kansas, and not Reager, Kansas. Also, the length of the trackage rights line is 17.7 miles.

We apologize for any inconvenience this inadvertent error may have caused. If you have any questions, please call me.

Sincerely,

Karl Morell
