Re: Docket No AB-33-310-X  
Union Pacific Railroad – Abandonment in Polk County, Iowa

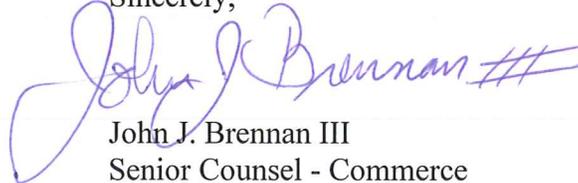

Dear Ms. Brown:

By letter filed on September 25, 2012 in the above captioned matter, the Iowa Natural Heritage Foundation requested to amend its previous filing which, in part, sought an order that Union Pacific be prohibited from disposing of tracks, ties and signal equipment on the subject corridor for a period of 180 days.

Union Pacific Railroad fully supports this request. Union Pacific intends to salvage the tracks, ties and signal materials on the line as soon as it has authorization to do so.

Thanks you for your attention to this matter.

Sincerely,

  
John J. Brennan III  
Senior Counsel - Commerce
