RE: Alabama & Florida Railway Co., Inc. – Abandonment Exemption – Geneva, Coffee and
Covington Monroe Counties, Alabama – STB Docket No. AB-1073X

Dear Director Campbell:

Alabama & Florida Railway Co., Inc. ("A&F") has reviewed the request made by the Alabama Trails Commission, for a 120-day extension of the negotiating period, and the filing by CSX Transportation, Inc. ("CSX"), agreeing to that extension. I have also conferred with Mr. Louis Gitomer, who represents CSX.

While A&F confirms that the Amendment to Conditional Lease is in effect, A&F does not construe that document to be a waiver of its rights/obligations with respect to a request for extension by the trail proponent. Nevertheless, it is not the intention of A&F to impede the parties from concluding an agreement, if there is a reasonable probability that an agreement will be reached in the foreseeable future. A&F, therefore consents to another 120-day extension of the negotiating period, in the hopes that the parties will be able to reach an agreement during that period.

Please call me if you have any further questions.

Sincerely yours,

Daniel A. LaKemper,
General Counsel.
