Re: STB Docket No. AB-33 (Sub-No. 93X) Union Pacific Railroad Company -  
Abandonment Exemption - Whittier Junction - Colima Junction Line - In Los  
Angeles County, CA

Dear Ms. Brown:

On August 17, 2015 the City of Whittier (hereinafter referred to as the "City") filed a letter requesting the STB to vacate, in part, the Notice of Interim Trail Use ("NITU") served in this Docket No. AB-33 (Sub-No. 93X) on December 14, 2001 and amended on September 10, 2002 and July 21, 2006. The City would like to terminate interim trail use/rail banking on a portion of the right-of-way subject to the NITU as further described herein.

After the City filed its letter with the STB, the Union Pacific Railroad ("UPRR") proposed modifications to a portion of the City's request. The City is amenable to the UPRR's proposition and hereby requests an extension of time to negotiate with UPRR.

Sincerely,
