**MOTION TO SUBSTITUTE PARTIES**

Complainant, E.I. du Pont de Nemours and Company (“DuPont”), hereby moves to substitute The Chemours Company FC, LLC and The Chemours Company TT, LLC (collectively “Chemours”) as the Complainants in this proceeding. Effective July 1, 2015, DuPont completed the spin-off of its performance chemicals business into The Chemours Company, which is an independent, publically-traded company that is no longer part of DuPont. The Chemours Company is the holding company for The Chemours Company FC, LLC and The Chemours Company TT, LLC. DuPont has assigned this proceeding to Chemours as part of the spin-off because most of the issue traffic in this proceeding is associated with the performance chemicals business. Therefore, DuPont no longer has an interest in this proceeding, which henceforth will be directed by and for the benefit of Chemours.

It is not clear from the Board’s rules whether this Motion is necessary to substitute Chemours as the complainants, or if a notice of change is sufficient. Therefore, DuPont is filing this as a Motion.

Respectfully submitted,

---
