**NOTICE OF INTERIM TRAIL USE AGREEMENT
AND PROPERTY TRANSFER**

The Missouri Central Railroad Company ("MCRR") and Missouri Department of Natural Resources ("MDNR") hereby file a notice pursuant to 49 CFR § 1152.29(h) that a trail agreement has been reached under the National Trails System Act (the "Trails Act"), 16 USC § 1247(d). The property was conveyed to MDNR under the Trails Act on October 31, 2012.

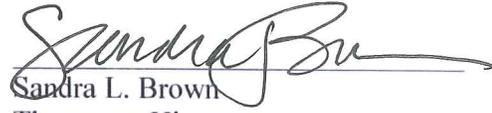

A map of the line conveyed is attached as Exhibit A. The right-of-way conveyed is all of MCRR's rail property between milepost 257.283, near Wingate, Missouri, and milepost 262.906, near Pleasant Hill, Missouri, located in Cass County, Missouri. This approximately 5.6 miles is all of the property included in this docket.

MCRR certifies that the agreement includes provisions requiring MDNR to meet the statutory requirements for trail sponsorship as set out in 16 USC §1247(d) and 49 CFR §1152.29(a)(2), including that MDNR will assume full responsibility for: (1) managing the right-of-way, (2) any legal liability arising out of the transfer or use of the right-of-way, and (3) the payment of any and all taxes that maybe levied or assessed against the right-of-way.

Respectfully submitted,
