JOINT STATUS REPORT

Pursuant to Decision No. 51, served January 26, 2011, in the above-captioned matter, Union Pacific Railroad Company (“UP”) and BNSF Railway Company (“BNSF”) report that the parties are continuing to discuss the process for resolving the matters raised by UP’s Petition to Institute a Proceeding to Clarify the Fee Adjustment Mechanism for Trackage Rights Imposed as a Condition on the BN/Santa Fe Merger, filed December 23, 2010. The parties believe that it makes sense to continue to hold this proceeding in abeyance, with the understanding that either party may terminate the abeyance by providing written notice to the Board. The parties have agreed that any such notice would be effective 10 days after the filing of such notice with the Board.

Respectfully submitted,
