## **ERRATA**

Dear Ms. Brown,

Please find transmitted herewith an amended copy of my pleading of Friday afternoon.

Around 4:00 pm on Friday, March 9<sup>th</sup>, I transmitted to the STB and Offer of Financial Assistance (OFA). I had to personally travel to Washington to deliver the payment for the OFA, We were unaware that filings that require a payment can not be filed electronically. In the confusion of the attempt to file our OFA electronically, an incomplete draft version of the OFA was inadvertently submitted. It was missing a number of components, such as the exhibits, and the required certificated of service.

I was contacted by the Board's staff yesterday to inquire about the exhibits. I forwarded a Motion for a protective order yesterday, so that those exhibits which need to be filed confidentially, can be done so under seal. In addition, I needed to retrieve my original

documents, which were left at the printers on Friday, in order to be able to transmit them today.

Please find hereto attached the correct version of our OFA, with the exhibits, and one verified statement. Two more verified statements should arrive at the Board this week, as they are expected to be transmitted to the Board directly by those parties responsible for them.

A courier has been dispatched to Washington to bring the Board those filings which are made under seal to the Board.

I have corrected all the errors and I have re-served copies of this pleading upon Conrail. Please except this amended copy of Friday's pleading into the record. I apologize for the errors. We were unaware of the E-Filing restrictions when a payment is required. We know for the next time

If you should have any questions, please contact me at the phone number provided above.

Respectfully submitted,

*Eric S. Strohmeyer* 131
