RE: Supplement to STB Docket No. AB-33 (Sub-No 313X)
Union Pacific Railroad Co – Abandonment Exemption- In Miami County, KS
Osawatomie Industrial Lead

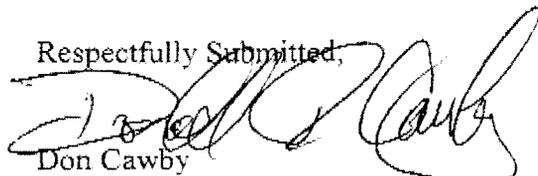

Dear Ms. Brown:

The City of Osawatomie sent our letter requesting an extension of time on the above matter. We requested and were granted a waiver on the filing fee at the beginning of this process and were making sure that waiver was still in place.

We have been working with Ben Jones with the Union Pacific Railroad and have plans to meet onsite at the end of February. As we were unable to get together any earlier we are asking for an extension of time. Mr. Jones is aware of this request.

Thank you for your consideration in this matter.

Respectfully Submitted,

Don Cawby
