RE. STB Docket AB 1076X, Caddo Valley Railroad Company-Abandonment Exemption-In Clark, Pike and Montgomery Counties, Arkansas-Request for Extension of Time-NITU-West Central Arkansas Planning and Development District-Pennington Letter

STB Docket AB 1076 (Sub-No. 1X), Caddo Valley Railroad Company-Abandonment Exemption-In Pike and Clark Counties, Arkansas-Request for Extension of Time-NITU-West Central Arkansas Planning and Development District Incorporated and Pennington Letter

Additional Signatures

Ms. Brown,

Please find an attachment of two pages labeled as Exhibit 1, page 1 and page 2. On these pages are signatures of additional landowners along the ROW who wish to assert their reversionary rights and express opposition to the late filed NITU request. These landowners are located in Pike and Montgomery Counties. Time has prevented the securing of additional signatures. These landowners have freely signed their names without coercion or duress. Some landowners live out of state and have signed by fax if allowed. These are on a separate sheet marked Exhibit 2.

Since the STB must have contact information; it is expedient to have a single point of contact. I have volunteered to serve as that contact.

The Honorable Cynthia T. Brown

If allowed, I would like to offer a few more items into the record. I spoke with the State of Arkansas Attorney General's office and found that West Central Arkansas Planning and Development District Incorporated (WCAPDD) is registered as a Public Charity. I then checked with the Internal Revenue Service to verify that information. The tool I used was "Exempt Organizations Select Check". WCAPDD (Inc.) is listed on page 2 of search results 51-75 of 160 such organizations listed for Hot Springs, Arkansas. It is listed with the PC (public charity) deductibility status. (Please see attached Exhibit 3, pages 1 & 2) At present I do not know which IRS code section it is under. Also, I found there are numerous trails around the Glenwood, Arkadelphia area listed on "Trails.Com". In fact the longest loop trail in the State is near Glenwood with a length of 26.8 total miles. See Exhibit 4, pages 1 and 2.

I hereby certify that a copy of this letter has been served on CVRR by first class metered mail this 15th of February. (Letter was finished on the 14th but it was too late to meter and mail until the morning of the 15th)

Respectfully submitted,

Betty Hemmington

This is the longest loop trail in the state of Arkansas. The Eagle Rock Loop Trail is very popular with out-of-state hikers as well as native Arkansans. The loop is a combination of parts of the Little Missouri, Viles Branch Equestrian, and Athens-Big Fork Trails. The southern section of the Little Missouri Trail is known as Winding Stairs. Because Winding Stairs is so distinctive, we describe it as a trail unto itself. The Eagle Rock Loop includes all but 0.7 mile of the south end of Winding Stairs and also encompasses 3.5 miles of the Viles Branch Equestrian Trail and most of the Athens-Big Fork Trail except the northern mile and the southern mile. The Eagle Rock Loop Trail, which crosses the Little Missouri River nine times and goes over nine mountains, allows you to go out and have a backpacking experience and never have to go over the same ground twice. You can leave a vehicle at one access point and hike back to it. [show less](#)
