Re: New England Central Railroad, Inc. -  
Trackage Rights Terms and Conditions -  
Pan Am Southern LLC  
STB Docket No. FD 35842

Dear Ms. Brown:

By decision served December 23, 2014, the Board, *inter alia*, instituted a proceeding for the purpose of setting new terms and conditions, and ordered the parties to confer and submit a pleading by January 22, 2015, addressing the proposed scope and procedural schedule for this proceeding. Because of deadlines in other matters before the Board, the parties have not had sufficient time to confer, and accordingly request that the deadline for their submission be extended until January 30, 2014. Because the procedural schedule has not yet been set, and because both parties are agreeable to the extension, no parties will be prejudiced by the short extension.

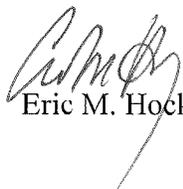

The undersigned counsel for New England Central Railroad, Inc. has been advised that William Mullins will be entering his appearance in this proceeding on behalf of Pan Am Southern LLC. Mr. Mullins has authorized me to confirm that he joins in this request.
