Re: STB Docket No. AB 33 (Sub-No. 277X), Union Pacific Railroad Company –
Abandonment Exemption – In Lafourche Parish, LA

Dear Ms. Brown:

My name is AmitBhandari, and I am the Chief Executive Officer at LogiBio, LLC, located at 1080 Eldridge Parkway Suite 1175, Houston, TX 77077. I have served in this capacity since LogiBio's founding in 2006. LogiBio is in the business of transloading liquid commodities throughout North America with a focus on rail logistics serving the hydrocarbon industry.

Presently rail service is provided on the Lockport Branch by the Union Pacific Railroad Company (UP) and Louisiana & Delta Railroad, Inc. (LDRR). The availability of safe, efficient, and competitive rail service is important to LogiBio and more importantly to LogiBio's efforts to locate one of its facilities on the Lockport Branch.

LogiBio requests the Board approve BNSF's authority to serve future industries on the Lockport Branch.

Kind regards,
