Re: STB Docket No. AB-33 (Sub-No. 93X) Union Pacific Railroad Company -
Abandonment Exemption - Whittier Junction - Colima Junction Line - In Los
Angeles County, CA

Dear Ms. Brown:

On August 17, 2015 the City of Whittier (hereinafter referred to as the "City") filed a letter requesting the STB to vacate, in part, the Notice of Interim Trail Use ("NITU") served in this Docket No. AB-33 (Sub-No. 93X) on December 14, 2001 and amended on September 10, 2002 and July 21, 2006. The City would like to terminate interim trail use/rail banking on a portion of the right-of-way subject to the NITU.

After the City filed its request with the STB, the Union Pacific Railroad ("UPRR") asked the City to modify a portion of its request that UPRR believed encroached on its ability to restore the right-of-way to rail service. The City agreed with UPRR's request. Therefore, the City respectfully requests the STB substitute the Exhibit B filed with the City's August 17, 2015 request with the attached Exhibit B attached herein.

Sincerely,

A handwritten signature in blue ink that reads 'Justin J. Marks'.
