Re: STB Docket No. AB-1107X, West Michigan Railroad Co. – Abandonment
Exemption in Van Buren County, MI

Dear Ms. Brown and Messrs. Mullins, Wimbish and LaKemper,

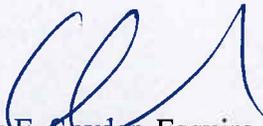

Pursuant to 49 CFR 1152.27 (c)(2)(i) and the Notice of Exemption published in the Federal Register on January 28, 2013, Great Lakes Locomotive, LLC (“Offeror”) hereby provides a formal expression of its Notice of Intent to file an Offer of Financial Assistance to purchase the entire 10.67 mile line proposed for abandonment from MP 19.88 to MP 30.55.

In connection with this Notice of Intent to File an Offer of Financial Assistance, Offeror requests that West Michigan Railroad Co. (WMI) promptly provide the information set forth in 49 CFR 1152.27 (a) including:

- 1) Minimum purchase price.
- 2) WMI's most recent reports on the physical condition of the involved line.
- 3) A description of any rail, crossings or crossing structures that have been removed and any estimates of the cost of rebuilding or re-installing such rail or structure(s).
- 4) Traffic, revenue and other data, including WMI's estimate of net liquidation value of the line together with supporting data reflecting available real estate appraisal, assessments of the quality and quantity of track materials in the line and the removal cost estimates used to obtain the net liquidation value. Such data should include a description of the nature of the title to the real estate involved, including disclosure of all reversionary interests.
- 5) Copies of any and environmental audits of the real estate involved, and a description of (a) all sites under investigation by, or being remediated under the supervision of the U.S. Environmental Protection or the Michigan Department of Environmental Quality, (b) all known potential environmental liabilities arising out of conditions on the property, (c) all releases of hazardous materials on or about the property, and (d) a history of all customers and industrial users along the line.
- 6) Offeror and its advisors may wish to inspect the line and property. Please let us know whom we should contact to make arrangements to access the property.

Since it is unlikely that this information can be provided to the prospective Offeror prior to the effective date of the abandonment exemption of February 27, Offeror requests the Board to toll the thirty day period for submitting offers of financial assistance for an additional thirty (30) days in order to provide Offeror with an adequate opportunity to review and analyze the the material provided by applicants and submit their OFA. This will not prejudice the interests of applicant carrier or any party.

Sincerely,

Alex E. Snyder, Esquire
