RAIL UNIONS' AMENDED CERTIFICATE OF SERVICE

At the time the Brotherhood of Maintenance of Way Employes Division/IBT (“BMWED”), the Brotherhood of Railroad Signalmen (“BRS”), the International Association of Sheet Metal, Air and Transportation Workers Mechanical Division (SMART/MD), the American Train Dispatchers Association (“ATDA”), the Brotherhood of Locomotive Engineers and Trainmen/IBT (“BLET”), the National Conference of Firemen and Oilers District of Local 32BJ, SEIU (“NCFO”), and the International Brotherhood of Electrical Workers (“IBEW”) filed their reply to the California High Speed Rail Authority’s petition for a declaratory order, the only persons to be served listed on the official service list in this proceeding were counsel for the petitioner. The Rail Unions therefore served only those persons. As replies were filed, the Board produced a service list with more persons to be served. The Rail Unions are therefore serving copies of their Reply on persons who are now listed on the official service list and they are therefore submitting this amended certificate of service.

Respectfully submitted,

/s/ Richard S. Edelman
