Dear Mr. Williams:

This is to advise that the Union Pacific Railroad Company with regard to the subject Discontinuance of Service Exemption has discontinued service on the Boulder Industrial Lead from Milepost 18.79 near Eagle Mine, Colorado to Milepost 31.0 near Valmont, Colorado (the "Line"), pursuant to authority granted in the Surface Transportation Board's ("Board's") Notice served July 20, 2001, and in the Board's Decision served October 19, 2001 as of December 30, 2001.

The Board's Decision of October 19, 2001 imposed a geodetic survey notice condition, which has already been complied with in preparation of removal of the bridge over Interstate 25. An additional ten (10) copies of this letter are enclosed for the Board's use and distribution.

Sincerely,
