**RE: Request for Extension of Notice of Interim Trail Use  
Wisconsin Central/Canadian National Abandonment  
AB 303 (Sub No. 25X)**

Dear Mr. Williams:

The Stockbridge-Munsee Community ("Tribe") and Canadian National are still having discussions over the possibility of rail banking for the CN corridor in Wisconsin between mileposts SH 303 and SH 306.4.

The Tribe desires to continue negotiating with CN regarding the possibility of rail banking. We are in the process of confirming the title status of the land involved. Therefore, the Tribe requests that the Notice of Interim Trail use originally granted on December 24, 2002 be extended for an additional 180 days.

Feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Huck".
