RE: CORRECTION TO DRAFT FEDERAL REGISTER NOTICE TO PETITION FOR EXEMPTION, Docket No. AB-33(Sub-No.216X), Union Pacific Railroad Company - Abandonment Exemption - In Weld County, Colorado (Monfort Industrial Lead from M.P. 141.12 to M.P. 140.00)

Dear Mr. Williams:

Pursuant to 49 U.S.C. §10502, Union Pacific Railroad Company submitted the original and ten copies of its Petition for Exemption, with Verification, to abandon the above-referenced rail line. The Certificate of Service and Publication pursuant to 49 C.F.R. §1152.60(d) and 49 C.F.R. §1105.12 was attached to the petition.

It has been brought to the attention of the Union Pacific Railroad Company that the Draft Federal Register Notice filed with the subject Petition for Exemption was inaccurate in that it failed to indicate that part of the Line contained federally granted rights-of-way. Attached hereto is a Revised Draft Federal Register Notice and ten (10) copies which accurately reflects that "the Line contains federally granted rights-of-way and fee title." This Revised Draft Federal Notice is filed with the Board pursuant to 49 C.F.R. §1152.60(c). Three Computer disks containing the revised notice is enclosed.

Sincerely yours,

On May 28, 2004, Union Pacific Railroad Company filed with the Surface Transportation Board, Washington, D.C. 20423, a petition for exemption for the abandonment and discontinuance of service on the Monfort Industrial Lead from M.P. 141.12 to M.P. 140.00, a distance of 1.12 miles in near Kersey, Weld County, Colorado (the "Line"). The Line traverses U. S. Postal Service Zip Code 80644. The proceeding has been docketed as No. AB-33 (Sub-No.216X). There are no agency stations on the Line.

The Line contains federally granted rights-of-way and fee title. Any documentation in the railroad's possession will be made available promptly to those requesting it.

The interest of railroad employees will be protected as required by 49 U.S.C. 10903(b)(2).

Any offer of financial assistance will be due no later than 10 days after service of a decision granting the petition for exemption.

All interested persons should be aware that following abandonment of rail service and salvage of the Line, the Line may be suitable for other public use, including interim trail use.

Any request for a public use condition and any request for trail use/rail banking will be due no later than 20 days after notice of the filing of the petition for exemption is published in the Federal Register.

Persons seeking further information concerning abandonment procedures may contact the Surface Transportation Board or refer to the full abandonment or discontinuance regulations at 49 CFR Part 1152. Questions concerning environmental issues may be directed to the Board's Section of Environmental Analysis, telephone (202) 565-1545.

An environmental assessment (EA) (or environmental impact statement (EIS), if necessary), prepared by the Section of Environmental Analysis will be served upon all parties of record and upon any agencies or other persons who commented during its preparation. Any other persons who would like to obtain a copy of the EA (or EIS) may contact the Section of Environmental Analysis. EAs in these abandonment proceedings normally will be made available within 60 days of the filing of the petition. The deadline for submission of comments on the EA will generally be within 30 days of its service.
