RE: STB Finance Docket No. 35160, Oregon International Port of Coos Bay—Feeder Line Application—Coos Bay Line of the Central Oregon & Pacific Railroad, Inc.

Dear Secretary Quinlan:

Earlier today, the Board released a decision in the above-captioned docket which set the purchase price of the Coos Bay rail line if the Oregon International Port of Coos Bay ("Port") decides to go forward with the feeder line acquisition of the Line. The Port would like to respectfully request all workpapers of the Board that support or explain the Board's calculation of the purchase price. Please forward all such workpapers to the Port's attorney listed below.

Please feel free to contact me if you have any questions.

Very truly yours,

Sandra L. Brown
