RE: Docket No. AB-55 (Sub-No. 684X), *CSX Transportation, Inc.— Abandonment Exemption—in Shelby County, TN*; Request for Extension of NITU Negotiating Period

Dear Acting Secretary Quinlan:

Reference is made to the ongoing negotiations between and among the Memphis Community Connector (“MCC”), Shelby County (“Shelby County”) and CSX Transportation, Inc. (“CSXT”) regarding interim trail use and rail banking, pursuant to 16 U.S.C. § 1247(d) (the “Trails Act”) and 49 C.F.R. § 1152.29, of the above-captioned line (the “NITU request”), which was filed by the Memphis Community Connector (“MCC” and, together with Shelby County and CSXT, the “Parties”) with the Board on October 5, 2007 (the “NITU request”).

A brief extension of the NITU negotiating period was agreed to by the Parties, but expired on June 22, 2008. Further extensions until November 19, 2008, January 30, 2009, and March 31, 2009 were requested and granted by the Board as to the “Memphis Segment,” which extends from MP ONI 224 (VS 11812+37) to MP ONI 216.92 (VS 11439+97), which is located between downtown Memphis and Shelby Farms.¹

The Parties are writing to request an extension of the NITU negotiating period with respect to the “Memphis Segment”, until June 30, 2009.² As information, the Parties have nearly concluded their negotiation of a Purchase Agreement for the “Memphis Segment,” which was approved by the County Commission on March 30, 2009. The transaction is scheduled to close on June 1, 2009. In order to provide sufficient time to finalize their agreement, for closing to occur, and to account for contingencies that might delay the closing, an extension of the NITU is necessary.

¹ The Party’s also requested and obtained an extension of the NITU, until June 22, 2009, for the “Cordova Segment,” which is comprised of the remainder of the CSXT line. The Cordova Segment is not a subject of this NITU extension request.

² Because Shelby County, TN is a local government entity, the filing fees for this Request are waived pursuant to 49 C.F.R. 1002.2(e)(1).
