VIA ELECTRONIC FILING

Hon. Anne K. Quinlan  
Acting Secretary  
Surface Transportation Board  
395 E Street, SW  
Washington, DC 20423

Dear Secretary Quinlan:

This refers to STB Finance Docket No. 35247, Grenada Railway, LLC--  
Acquisition and Operation Exemption--Illinois Railroad Company and Waterloo Railway  
Company and to Dr. Sid Bondurant's Petition to Revoke the Notice of Exemption, filed  
June 9, 2009.

The inadvertent error in identifying the termini of the Water Valley Branch Line  
already has been addressed in the Notice to the Parties, served June 8, 2009.

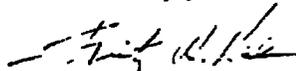

The Board's regulations permitting a non-carrier to acquire by purchase and to  
operate the lines of a railroad pursuant to the class exemption of 49 C.F.R. 1150.31 do  
not require the disclose of affiliates.

In STB Finance Docket No. 35249, Kern W. Schumacher--Continuance in  
Control Exemption--Grenada Railway, LLC and Natchez Railway, LLC. Mr.  
Schumacher identified all of the railroads which he directly or indirectly controls. The  
class exemption of 49 C.F.R. 1180.2(d)(2) did not require Mr. Schumacher to list all of  
the many other businesses in which he is engaged.

Grenada Railway, LLC will file a more complete reply when due in twenty days'  
time.

I certify that I have served copies of this letter upon the parties to this proceeding  
by e-mailing copies to their representatives.

Sincerely yours,

  
Fritz R. Kahn
