RE: Pioneer Railcorp – Continuance in Control - Georgia Southern Railway Co.
FD No. 35323

Dear Secretary Quinlan:

This is to clarify Pioneer Railcorp's above referenced Continuance In Control Exemption. Michigan Southern Railroad, Inc., a Delaware corporation (MSRR's), which was an inactive carrier acquired by Pioneer Railcorp in 1999 (See FD 33704), and Michigan Southern Railroad Co., an Iowa corporation, also a wholly-owned subsidiary of Pioneer, which operated MSRR's trackage (See FD 33306), were merged in March, 2009.

Please call me if you have any questions.

Sincerely yours,

Daniel A. LaKemper,
General Counsel.
