Gentlemen:

Reference: *Docket # A.B.-167-(Sub-No. 1095X)*

As I am certain you are aware, the old stone railroad bridge, which restricts access to Quarryville, Pennsylvania, also, is a menace to the drivers who must travel through the old arched railroad tunnel when driving on Route 222. I am requesting this hazard be removed as soon as possible.

Thank you for your attention to this matter.

Sincerely,

  
Howard E. Groff
