Re: Docket No. 41191 (Sub-No. 1), AEP Texas North
Company v. BNSF Railway Company

Dear Secretary Williams:

In its March 17, 2006 supplemental evidence order in the above-referenced proceeding, the Board directed the parties to agree upon a single release of the RTC Model to use in their supplemental evidence.

This is to advise the Board that the parties have agreed to use release RTC 2.70L19C of the RTC Model. We understand this release is available to the Board, as a licensee of the RTC Model, from Berkeley Simulation Software.

Sincerely,

Kelvin J. Dowd
An Attorney for AEP Texas North Company
