Public Record

**MOTION OF DYNO NOBEL INC.
FOR LEAVE TO WITHDRAW INTERVENTION**

By order served October 14, 2004, the Surface Transportation Board (“STB” or “Board”) granted the motion of Dyno Nobel Inc. (“DNI”) for leave to intervene in this complaint proceeding, in light of the commonality of issues presented in this case and in DNI’s previously-filed complaint case against the defendants, Docket No. 42081.

On March 24, 2006, DNI moved to dismiss its complaint in Docket No. 42081, with prejudice, on the ground that DNI and the defendants had reached agreement on a confidential settlement that resolved the matters at issue between them. On March 29, 2006, the Board granted DNI’s request and dismissed Docket No. 42081 with prejudice.

Because DNI no longer has a stake in the outcome of this proceeding in

light of the voluntary dismissal of its own case, DNI hereby requests that the Board allow it to withdraw its intervention and terminate its status as a party in Docket No. 42084, as well. DNI submits that such action will relieve the remaining parties in this proceeding of the need to serve copies of their future, potentially voluminous, pleadings upon DNI.

Respectfully Submitted,

DYNO NOBEL INC.
