RE: Docket Nos. 38302S and 38376S

Dear Chairman Nottingham:

The order entered in these dockets July 27, 2005 (served August 2, 2005, and effective September 1, 2005), approving the Government's settlement agreement with Union Pacific Railroad Company, further held these proceedings in abeyance while directing the Government to file quarterly reports on the progress of settlement negotiations. The Government continues to pursue settlement with individual carriers and is engaged in separate discussions with individual railroad defendants BNSF and Norfolk Southern. The Government and BNSF had an extensive meeting concerning outstanding issues on November 13, 2007, and are continuing discussions to resolve these matters. Settlement discussions remain open with Norfolk Southern as well.

Accordingly, we are not yet in a position to report an agreement with either BNSF or Norfolk Southern. However, we remain hopeful that we will be able to reach agreements with both carriers. We will file a further report by the end of March 2008.

Sincerely,

Stephen C. Skubel
