Re Filing of intent to participate in the April 24, 2008 STB hearing

Dear Ms Quinlan

This letter serves as notice that Mr John McIntosh, the President of Olin Chlor-Alkali, a division of Olin Corporation, intends to participate in the April 24, 2008 STB hearing on issues related to the common carrier obligation of railroads. Mr McIntosh requests five minutes of testimony time to address the different topics listed in the respective hearing notice dated February 22, 2008. Furthermore, Mr McIntosh will submit 70 copies of his written testimony and one original copy no later than April 17, 2008.

Thank you
