Dear Ms Quinlan

I am writing to request permission to participate in your April 24th meeting

We at Evraz Claymont Steel are appreciative of the support we have received from your consumer assistance group and would like to express the positive impact it has had on our business. I would need no more than ten minutes to make my presentation. I realize that my request is late. I misinterpreted your web site deadline for requesting permission to participate.

Thank you in advance for considering my request.

Sincerely,

Daniel R Kloss
Manager, Operations Support
