Re: West Shore Railroad Corporation and Union County Industrial Railroad  
Northumberland and Union Counties, PA

As requested in a letter dated March 20, 2008, we have reviewed the project location for possible areas of concern to the USDA Natural Resources Conservation Service and have determined that we have no comments for this project

If the project involves any earthmoving, both temporary and permanent erosion and sedimentation control practices should be planned, implemented and maintained

Contact me at (717) 237-218 or at [timothy.emenheiser@pa.usda.gov](mailto:timothy.emenheiser@pa.usda.gov) for more information
