**90 DAY EXTENSION**

Dear Ms. Quinlan:

Union Pacific Railroad Company ("Union Pacific") has received the attached request from the Iowa Trails Council dated May 1, 2008, for additional time in which to complete negotiations for the acquisition under the provisions 16 U.S.C. § 1247(d) and 49 C.F.R. § 1152.29 regarding that portion of the Union Pacific's right-of-way known as the Western Portion of the Bristow Subdivision from Milepost 318.66 near Hampton, Iowa to Milepost 326.50 near Coulter Iowa, a distance of 7.84 miles in Franklin County, Iowa. At this time the Union Pacific is willing to continue negotiating with the Iowa Trails Council concerning the acquisition of the subject property for trail use but only for an additional 90-day extension period. **Motion to Extend the Time Period for Negotiation of an  
Interim Trail Use/Railbanking Agreement**

---

**On behalf of Franklin County, Butler County (public agencies) and the Iowa Trails Council, the Iowa Natural Heritage Foundation hereby moves the Surface Transportation Board (STB or Board) to extend the time period for negotiation of a mutually acceptable interim trail use/railbanking agreement in this proceeding up and including July 30, 2008.**

**The Iowa Natural Heritage Foundation, Butler County, Franklin County and the Iowa Trails Council have been negotiating with the Union Pacific Railroad (UPRR), but the parties need additional time to complete the purchase. A preliminary purchase agreement has been proposed, but the documents have not been signed or finalized.**

**To successfully preserve this corridor for interim trail use and railbanking under section 8(d) of the National Trails System Act, 16 U.S.C. 1247 (d), it is necessary for the negotiation period under the NITU to be extended 90 days up to and including July 30, 2008. See Policy Statement on Rails to Trails Conversions, Ex Parte No. 274 (Sub. No.**

**13b) (ICC served Feb. 5, 1990) (extensions of time promote the establishment of trails and railbanking consistent with the National Trails System Act).**

**Since the issuance of the NITU, UPRR at all points has maintained intent to transfer the line intact for interim trail use. The railroad has not sold, or offered for sale, any parcels of land that would interfere with interim trail use and railbanking of the portion of the corridor that is covered by the NITU. The line remains intact and throughout the period, the railroad has been negotiating with INHF for the transfer or sale of the corridor intact. Accordingly, the Board retains jurisdiction to extend the NITU to continue bona fide and active negotiations for interim trail use of the line.**

**In similar instances, this Board has reopened proceedings to permit the issuance of orders implementing section 8(d) for rail lines. The STB's authority to extend a NITU was upheld in Birt v. STB, 90 F.3d 580 (D.C. Cir. 1996). Here the parties merely seek and extension in the period for negotiation provided in a previously issued NITU. Such an extension will promote and further the purposes of the Trails Act.**

**For the reasons stated the Iowa Natural Heritage Foundation Dallas County Conservation Board request that an extension of the NITU negotiation period be granted through July 30, 2008.**

**Respectfully Submitted,**
