north of Wyman Park Drive, formerly Cedar Avenue), and which terminates on the south side of the bridge at milepost UU 15.44 (Western Run), just north of Cockeysville, Baltimore County, Maryland, in the vicinity of the former Ashland station, together with the branch line known as the Hunt Valley Industrial Track, which connects to the Line at or near milepost 13.0, just north of where the line crosses Warren Road, and which extends to Hunt Valley Mall; the Cockeysville Industrial Park branch, which connects to the Hunt Valley Industrial Track a few hundred meters west of where the Hunt Valley Industrial Track connects to the main line at MP 13.0, and which extends into and serves the Cockeysville Industrial Park and shippers located adjacent to Stenersen Lane and Beaver Court; and the Public Deliver Track which branch line connects to the main line at the former Wye in Cockeysville, near MP 13.8, which branch line formerly provided service to the Beaver Dam Quarry, Stenersen Mahogany, Veneer Manufacturing Company, and Pure Oil Company, and which presently can be used to provide service to shippers located in the industrial park accessed via Williamson Lane, Veneer Lane, and Beaver Dam Road, together with the Cockeysville Wye and all other spurs, tracks, and other rights or privileges associated with the Line, hereinafter the “Line.” The original Line went from Baltimore, Maryland to York, Pennsylvania. 35.6 miles of the Line were in Maryland.

2. The Offerors are financially responsible persons, that is the Offerors have, or within a reasonable time will have, the financial resources to fulfill all of their proposed contractual obligations.

3. Attached to this Notice of Intent is a Motion for a Protective Order allowing the Offerors to make available to the Board under seal certain confidential documents and information in connection with the Offerors’s proposed Offer of Financial Assistance, which documents include the Offerors’ personal financial statement.

4. Pursuant to 49 U.S.C. § 10904, the Offerors requests Norfolk Southern provide the Offerors and the Board with the following information:

A. An estimate of the annual subsidy and minimum purchase price required to keep the Line or a portion of the Line in operation;

**B. Norfolk Southern's most recent reports on the physical condition of that part of the Line involved in the proposed abandonment or discontinuance;**

**C. Traffic, revenue, and other data necessary to determine the amount of annual financial assistance which would be required to continue rail transportation over the Line, including, but not limited to:**

**a. A copy of any agreements Norfolk Southern, or any of its affiliates or subsidiaries, is a party to, which pertain in any way to the Line, including but not limited to, any Freight Operating Rights, Freight Operating Easement(s) and any related Operating Agreements or Leases, and any agreements Norfolk Southern has, or contemplates having, involving the State of Maryland, the Maryland Department of Transportation, the Maryland Transit Administration, or any other Maryland State or Local agency or entity, hereinafter "State of Maryland;"**

**b. A copy of all papers, documents or agreements Norfolk Southern has received, has in its possession, or has knowledge of, which pertain in any way to any agreements Fleischmann's Vinegar, Baltimore Gas and Electric Company, Imerys, or any other present, former or potential shipper, have made which pertain in any way to the use of, or non-use of, the Line, including but not limited to any agreement(s) any shipper on the Line has made with the State of Maryland.;**

**D. Any other information which relates to Norfolk Southern's present or prior use of the Freight Operating Rights, Freight Operating Easement(s) and Operating Agreements or Leases, which pertain to the Line, including but not limited to:**

**a. Any payments made to the State of Maryland for the use of the Line, and the basis for the payments;**

**b. The number of times the Line was used in 2003, 2004 and 2005, and the number of rail cars delivered to and / or the number of rail cars received from, each shipper on the line, for each time the Line was used;**

c. The number of times the Line was unavailable for Norfolk Southern's use in 2003, 2004 and 2005, and the reason(s) why the Line was unavailable;

d. The date the Line was taken out-of-service, due to double-tracking the Line, and the date the double-tracking project was completed and the Line was available for use;

e. The speed limits on the Line, and any other restrictions which pertain to the use of the Line, by Milepost;

f. Which switches on the Line Norfolk Southern train crews may operate, and which switches on the Line are exclusively controlled by a centralized traffic control system. Which switches the train crew must wait at while a remote switch operator throws the switch, and the average amount of time the train crew had to wait for the switch to be thrown.

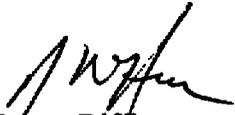

g. A summary of all disagreements, misunderstandings, or points of contention between Norfolk Southern and the State of Maryland concerning Norfolk Southern's use of the Line during 2003, 2004 and 2005;

h. An indication of where the Offerors would interchange rail traffic with Norfolk Southern;

i. A copy of a proposed interchange agreement.

5. The Offerors, by signing below, acknowledge and authorize James Riffin to sign on their behalf, all future pleadings or filings associated with this proceeding. Eric Strohmeyer, and all additional participants, will submit separate signature authorizations to the Board.

Respectfully submitted,

  
James Riffin
