Re: Vacancy on the Railroad-Shipper Transportation Advisory Council (RSTAC)

To Whom It May Concern:

I am interested in nominating myself to fill the RSTAC vacancy, as a representative of a small shipper. I have attained extensive experience in the field of transportation over the past 20+ years that I feel would be an asset to your Council. My background encompasses interaction with the Railroad industry as a shipper in a wide variety of industries.

Thank you for your consideration.

Sincerely,
