ENTERED

Part of  
Public Record

Dear Ms. Brown:

On January 25, 2011, the Association of American Railroads ("AAR") filed a motion in the above-referenced proceeding seeking an extension in the procedural schedule. On January 26, 2011, the American Short Line and Regional Railroad Association ("ASLRRRA") filed a motion seeking a longer extension in that schedule.

The purpose of this letter is to advise the Board that the Concerned Captive Coal Shippers group, which will participate actively in this case, supports the schedule requested by the AAR but opposes the schedule proposed by the ASLRRRA. Thank you for your attention to this matter.

Sincerely,

C. Michael Loftus
