STB Docket No. NOR 42117, *Cargill, Inc. et al. v. Aberdeen and Rockfish Railroad Company, et al.*

Dear Ms. Brown,

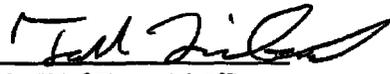

I am writing this letter to you in support of the Complainants' motion to stay proceeding against Class II and III Rail Carriers. For the 2007 year we received a grand total of \$142.21 as a part of the National Tank Car Mileage Equalization Program. We have already spent well in excess of this consulting with our attorney's on how or if to reply. Clearly we are a very minor participant in this petition and I am sure there are several other Class III railroads that are also in our same situation. We respectfully ask that you grant the Complainants motion to stay proceeding.

Sincerely,

Todd Leinbach
Chief Financial Officer

VERIFICATION

I, Todd Leinbach, certify under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief. Further, I certify that I am qualified and authorized to file this letter.
