**RE: Docket No. AB-1043 (Sub-No. 1), Montreal, Maine & Atlantic Railway, Ltd. -
Discontinuance of Service and Abandonment - In Aroostook and Penobscot
Counties, Maine**

Dear Ms. Brown:

Pursuant to the Board's decision on June 22, 2010 in the above-captioned proceeding, Irving Woodlands LLC ("Irving") hereby confirms the participation of Robert J. Pinette in the public hearing re-scheduled by the Board for July 7, 2010 in Presque Isle, Maine. Irving previously filed its Notice of Intent to participate on April 19, 2010. This confirmation is one day late, but Irving respectfully requests that the Board nonetheless accept it. As described in its Protest and Comments filed on April 21, 2010, Irving would be dramatically affected by the abandonment proposed in this proceeding.

No party will be prejudiced by the Board's acceptance of this confirmation because the confirmation is only one day late and Irving has been a participant in this proceeding for several months. If there are any questions concerning this matter, please do not hesitate to contact the undersigned. Thank you for your assistance with this matter.

Best regards,

David E. Benz
